

## Spine 2020 - Young Researcher Forum

Prof. Wagih El Masri,  
Clinical Professor of Spinal Injuries, Keele University, UK.

Spine 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: This Spine 2020 Young Scientist Awards will be announced at the upcoming 6th World Congress on Spine and Spinal Disorders at Dubai, UAE this April 2020. This Young Scientist Award is an initiative of Pulsus Conferences to recognize and provide incentives to the Young Researchers who have shown great potential in their respective fields of research. We at Pulsus Conferences always encourage the young budding minds to start their career in the field of Research and Innovations. The core of our Young Researcher Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Spine 2020 provides the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

The Young Researchers Forum (YRF) applauds initial investigators the prospect to convene and talk about research themes and styles, to share and expand perceptions, learn from each other and increase awareness from prominent scientists. Number of Awards: The quantity of honors to be made in a year will be constrained to 25. How to apply and Last date of submitting the nominations: Deserving prospects can submit their nominations online by visiting the Website.

Initially they must submit the abstract.

It will be sent to the review committee for acceptance.

Accepted nominees should register and confirm their participation

- Last date for early bird application June 30 – \$399
- Last date for regular application August 28 – \$499
- Last date for final application November 30 – \$599

### **Selection Committee for the Award:**

All the judicious submissions, based on the subject segment of the work, will be evaluated by the respective sectional boards of the organization. Our panel incorporate organizing committee members & editorial members of International journals.

### **Eligibility criteria:**

The Spine 2020 Young Scientist Award is for all young Researchers, Research Scholars (Preferably Ph.D., Post Doc, and Postgraduates & Graduates) who have involved themselves in the R&D sector. The candidates should have a minimum of 3+ years of Research experience and published a minimum of 3 research articles in international journals. Part-time researchers can be considered subject to recommend by the research guide or any director level designated person from the organization.

**Applications are invited on first come first basis:**

Only 25 nominations are accepted globally. The basis for Judging: Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. The subject should be under the scope of the Spine 2020 Congress. Selection will be on the basis of individual accomplishments, quality & standards of research, Nobel thought, Research methodology, innovative ideas, style of presentation,

Significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

**Nomination:**

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/ Research guide. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory. Candidates applying for the Spine 2020 Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/Organization heads) to spine@pulsusseries.com along with the online application at the Spine 2020 Awards page. Presentation: This award will be presented in Dubai, UAE during Spine 2020 congress.

**Prize:**

- We will recognize the awardee(s) with a memento, & Certificate of Appreciation followed by special discounts for the next chapter of the conference

- The prize-winning papers will be considered for publication in the supporting journals subjected to standard review procedures
- An opportunity will be given to be a Student Ambassador for the subsequent future conferences.

**About Pulsus Conferences:**

Pulsus Conference is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, and pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and Asia Pacific. It is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe. We encourage our authors and conference participants through research and travel grants, young research awards and provide assistance in career development and research guidance through 1000+ collaborations with NGOs, scientific and academic agencies, institutions that have signed MoU with us.
